PUBLIC COMMENTS

AGENDA ITEMS:

1. Evaluated choices for spring planting - Hanging baskets, viaduct planters, giant pots and sidewalk pots - coordinating lists with Public Works and Diane Bultema
2. Members discussed and finished orders for their Welcome planters to pass along to Bultema's.
3. CBD planters - With a ComEd potential project on Dixie, John was hesitant to make any grand changes in CBD planters. We decided on some minor perennial changes and new annuals to try.
4. No new member nominees. All will think of and pursue a couple of new members. We could use one or two new members.

GENERAL DISCUSSION - decided not to meet in March, but save further spring business items for April

NEXT REGULAR MEETING: April 3, 2018
