APPROVAL OF MINUTES

PUBLIC COMMENTS

AGENDA ITEMS:

1. Discussed selling scarecrow frames and signed up to cover times at Aug. 12 Farmer's Market and Aug. 19 Homewood Block Party

2. Cate and Sue led discussion about types of scarecrow to build and sign to promote Scarecrow Town - decided building scarecrow was at Mary's house on Wed., Aug. 16 - 6 p.m.

3. Reviews beautification award process of choosing and photos of those houses. Photos should be cropped, brightened, etc. by HBC member before turning them in. Check member address list to be sure you are not awarding to them.

We'd like to have an awards list from the previous year by sections and also HMs by section if possible for reference for 2018 award season. All should look carefully at previous HMs to see if they could upgrade to Beautification Awards the next year.

We'll put photos in Section order for drive around next year.

4. Reviewed how great the downtown plants look. Thanks Bryon Doerr and crew.
