

Fire Safety Resources for Kids

There are many online resources to help kids learn about fire safety. Here are just a few:

Sparky's Funhouse

Games, activities videos and more.

www.sparky.org

Sparky's Schoolhouse

Fire safety activities by grade level.
Lots to explore!

www.sparkyschoolhouse.org

Fire Safe Kids

Games and puzzles

www.firesafekids.org

UL Xplorelabs ages 9-12

Fire Forensics – an online unit exploring how fire investigators determine the cause of fires.

Adult supervision is required for hands-on experiments.
