

Family Fire Safety Video Challenge

For years you have heard the fire department talk about home escape planning, two-ways out of every room, and having an assigned meeting place outside of the house for the family to gather.

Now it's time to put those skills into action in the Family Fire Safety Video Challenge. Each day during Fire Prevention Week, October 5-9, we will issue a home escape fire safety challenge. Starting October 5 we will put on the website the fire safety task of the day. Each day will present a new fire escape challenge for your family. As you complete the daily challenge, video tape your family participating in the process. Send us a video of your family **each day** that week participating in the challenge and you will be entered in a drawing to win a pizza dinner for your family delivered to your home by the fire department.

Here's how: upload your video to YouTube (How to Upload a Video to YouTube <https://www.youtube.com/watch?v=VtF2AgFSLAw>) Email your YouTube video to submissions@homewoodil.com Be sure to include your name, email address, phone number and day designation (Day 1, etc.)

We will draw three winning families from those who have completed all five home escape planning behaviors and submitted five videos. Winners will be notified by email on Tuesday, October 13th.
