

Family Fire Safety Video Challenge

Each day during the week of October 5 thru October 9 families are asked to perform and video themselves and their families performing the fire safety task of the day.

Day 5 The Big Event!

Video your family practicing your entire escape plan. Begin by sounding the smoke detector. Have one person roll out of bed to the floor (where the best air will be in a fire) and crawl to the closed door of their bedroom. Have them check the door with the back of their hand to see if the door is warm? If the door is cool, slowly open the door and check for smoke. If no smoke, then stay low and go to the closest exit and leave the house.

Have everyone in the house gather at the pre-arranged meeting place.

You did it! Great Job!!!!!

Once you have completed the day's fire safety task, upload your video to You Tube. Here's how: upload your video to YouTube (How to Upload a Video to YouTube

<https://www.youtube.com/watch?v=VtF2AgFSLAw>)

Email your YouTube video to submissions@homewoodil.com Be sure to include your name, email address, phone number and day designation (Day 1, etc.)
